Painters: Gieve Patel, Sudhir Patwardhan

Level 2

In a sparkling store, which was filled with confectionary, there was a magical box filled with assorted chocolates. Today all the chocolates are sad, it because of a 5 star. The 5 star was a very arrogant and boastful.

It said to the dairy milk, "You are so chocolaty and sweet. I would get a sugar rush, if I eat you. See me I have caramel, chocolate and nougat in me not just chocolate like you."

It asked the bounty, "Are you are chocolate or a coconut barfi?"

It made fun of the ferrero rocher by saying," You have nuts and you are costly. Kids don't like you are you have nuts and parents don't like you are you are costly."

It humiliated the milky bar by telling, "You are too milky! Children are fed up of drinking milk, they don't want you."

And it commented on the Perk saying, "Are you really a chocolate! You are a wafer!!! "

One day a woman visited the store with her son and his friends. She told the shopkeeper to give the little ones the chocolates they wished to eat. The shopkeeper was very confident that it will be sold.

WE DON 'T
LIKE 5 STAR

All the children picked the chocolates of their choice, for a surprise, out of 15 kids no one picked 5 star. The 5-star started to cry. The woman came and she said "Hey kiddos! No one picked the poor 5 Star. I will take it, it is my favorite."

The conversation
at the store

She told "It has chocolate, caramel and nougat. Why don't you like it?"

To this the kiddos replied, "It is like a mix of all, so we don't like it. "

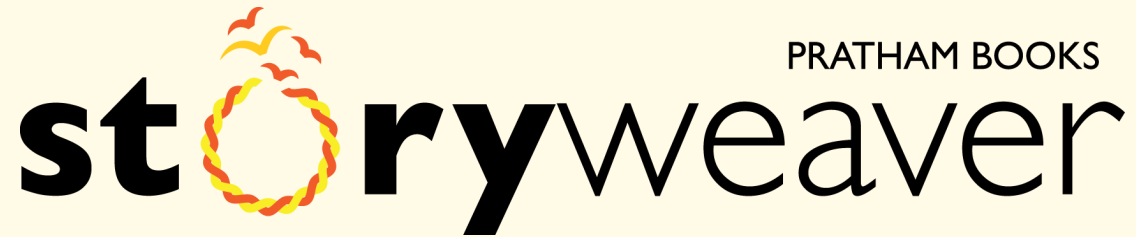

Another kid said, "It is sticks to our teeth, so we don't like it." By this, the 5 star realized its mistake and learnt a lesson that each and every person or thing has its own specialty and drawbacks.

"Oh my god is it a dream ", screamed a little boy as he wakes up.
The little boy was also like the 5 star. After this dream, the boy realised his mistake and started being kind and good to others.

An underwater scene featuring a sea turtle swimming towards the right. The background is a deep blue gradient. On the left, there is a coral reef with various types of coral and a school of small blue fish swimming above it. The sea turtle is in the lower foreground, showing its head and shell.

Let all of us respect each other as everyone
of us is unique .
